## **BECOME A MENTOR!**

**Join the PCSAO Peer Mentoring Program as a mentor and help enrich and strengthen the life of a foster youth while developing your own leadership skills.**

- Activities are free and compensation for transportation will be provided.
- Use your past experiences to help a youth through the foster care system
- Become a positive role model and develop your leadership skills
- Your experience can be added on your resume!

### **What is involved in being a mentor?**

- Mentors must be 18-25 years of age and have personal experience in foster care.
- Mentors will receive initial training to become a mentor, as well as training and support throughout the year.
- Organized group activities will be arranged twice a month for mentors and their mentees to attend.
- Mentors maintain weekly contact with their mentee through phone or e-mail.
