More Expensive Costs

Ohio's Children Services System Is Strained

Placement costs have increased dramatically due to more children in care and their needs are more complex

Foster Care Placement Costs, SFY 13 & 16

66% paid with local dollars,
34% paid with federal dollars

We need some action!

Gearing Up for the Reform

- Board authorized forming an action planning group as a result of Membership discussion in late August 2017
- **Purpose:** To develop a plan to address the barriers to accessing available, affordable, and appropriate in-state foster care and residential centers for children.

Action Planning Members

- Tim Schaffner / Trumbull CCS - Chair
- Kristi Burre / Fairfield CJFS
- Jewell Good / Montgomery CJFS
- Patty Harrelson / Richland CCS
- Pam Meermans / Clark CJFS
- Michael Morrow / Auglaize CJFS
- Jacque Ringer / Marion CCS
- Chip Spinning / Franklin CCS
- Moira Weir / Hamilton CJFS
- Angela Sausser / PCSAO
- Scott Britton / PCSAO

Planning Activity

- Met monthly from August – March to develop the plan
- Conducted national research, looked at state data, and evaluated best practices.
- Connected to California on their reform efforts

Major Problem Areas

1. Kids are being placed out of state for residential care
2. Kids are staying in care longer
3. Kids should not be raised in institutions but rather with families
4. Kids are being placed with foster families and in facilities that are not in or contiguous to home county

Shifted the Focus

Continuum of Care Gaps

- Lack of community-based services and being able to keep or place with families
- Foster care model is outdated
- Lack of short-term crisis stabilization options
- Unable to find care for the highest acuity kids
- Need more holistic services
- Lack of a real trauma treatment system of care

Our Vision:

Children's Continuum of Care Reform

Children's Continuum of Care Reform (CCCR) Goal Statement

To reduce reliance on congregate care settings and embrace that kids do better with families, Ohio needs to establish a children's continuum of care that focuses on preventing and intervening with community-based, short-term crisis stabilization and diversion services.

If children need to be removed from their families, there needs to be a robust foster care system that can support the challenging needs of kids in a family-based setting while focusing on reunification.

Continuum of Care Reform Plan

Four Strategy Areas
