Nationwide Children's Hospital Thrive Program

THRIVE is a program that specializes in care for differences/ disorders of sex development (DSD), complex urological conditions, and gender concerns.

Our program is dedicated to providing optimal care for individuals and family members diagnosed with a DSD, and/or a complex urological condition, including but not limited to bladder exstrophy, cloacal abnormalities, severe hypospadias and gonadal agenesis, as well as gender non-conformity.

Our mission is to provide best-practice, patient specific, evidence based care in a manner that values mental health and emphasizes emotional support. Additionally, we are committed to working with community physicians and organizations on the behalf of our patients and families.
