

## 2022 Conference Sponsorship "As Our World Turns" September 19-21 The Hilton Easton

The PCSAO Annual Conference is an opportunity to network with more than 500 children services professionals including child protection caseworkers, supervisors, administrators, attorneys, directors, students and advocates. Our theme, "As Our World Turns" recognizes that the children services field is in the midst of many changes and can feel like we are spinning so fast, we can't slow down. At the same time, the theme employs lighthearted humor around soap operas. As a sponsor, you will benefit from:

- Face-to-face networking, at exhibitor tables and the luncheon
- Organizational logo included in conference materials
- On-site sponsorship recognition
- Publicity on PCSAO's website
