INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Public Children Services Association of Ohio
Columbus, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of Public Children Services Association of Ohio (a not-for-profit organization) (the "Association"), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Public Children Services Association of Ohio as of December 31, 2019 and 2018 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 27, 2020, on our consideration of Public Children Services Association of Ohio's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Public Children Services Association of Ohio's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Public Children Services Association of Ohio's internal control over financial reporting and compliance.

See accompanying notes to the financial statements.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting principles and practices of Public Children Services Association of Ohio (the Association) are set forth to facilitate the understanding of data presented in the financial statements:

Nature of operations

Public Children Services Association of Ohio was established in 1981 to operate for charitable purposes. The Association is a membership-driven association of Ohio's county Public Children Services Agencies (PCSA) that advocates for and promotes child protection program excellence and sound public policy for safe children, stable families, and supportive communities. The Association has the following eight major activities:

- Community/Public Awareness – The Association's public policy work and activities dedicated to educating the community about child protection.
- Permanency/Family Engagement – The Association's efforts to increase permanency and family engagement in child protection.
- Training, Consulting & Tech. Asst. – The Association's conference, trainings, meetings, and technical assistance related activities.
- Systems Excellence – The Association's efforts to develop and promote best practices in child protection.
- Ohio Reach – Dedicated to improving post-secondary outcomes for foster care youth and alumni through leadership, empowerment, advocacy, research, and networking.
- Ohio START - An intervention program that will provide specialized victim services, such as intensive trauma counseling, to children who have suffered victimization with substance abuse of a parent being the primary risk factor.
- Adventure Therapy - Allows participating PCSAs to share training, evaluation, consultation and technical assistance costs, while forming the groundwork to launch and maintain sustainable programming and ongoing research. This program ended in 2018.
- Anti-Human Trafficking - Provide training and technical assistance to public children services agencies, juvenile courts, foster parents and those working with victims of human trafficking.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Adoption of new accounting standard

During 2019, the Association adopted Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*. The ASU, as updated, represents a comprehensive overhaul of substantially all previous revenue recognition guidance within U.S. GAAP. Additionally, the ASU requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The Association adopted the new standard effective January 1, 2019, the first day of the Association's fiscal year using the modified retrospective approach.

As part of the adoption of the ASU, the Association elected the following transition practical expedients: (i) to reflect the aggregate of all contract modifications that occurred prior to the date of initial application when identifying satisfied and unsatisfied performance obligations, determining the transaction price, and allocating the transaction price; and (ii) to apply the standard only to contracts that are not completed at the initial date of application. Because contract modifications are minimal, there is not a significant impact as a result of electing these practical expedients. Management has analyzed the provisions of the ASU and have concluded that no changes are necessary to conform with the new standard.

During 2019, the Association adopted ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The standard provides guidance on determining whether a transaction should be accounted for as a contribution or as an exchange transaction and whether a contribution is considered conditional. The presentation of the Association's financial statements has not been changed as a result of the standard.

Basis of presentation

The financial statements of the Association have been prepared in accordance with U.S. GAAP, which requires the Association to report information regarding its financial position and activities according to the following net asset classifications:

- Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Association. These net assets may be used at the discretion of the Association's management and the Governing Board.
- Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will likely be met by actions of the Association or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Association does not have net assets that are perpetual in nature for the years ended December 31, 2019 or 2018.

Cash and cash equivalents

The Association considers all cash on hand and on deposit and highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Receivables

Accounts receivable are stated at net invoice amounts. An allowance for doubtful accounts is established based on a specific assessment of all invoices that remain unpaid following normal customer payment periods. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period that determination is made. At December 31, 2019, the allowance for doubtful accounts was \$8,600. There was no allowance at December 31, 2018.

Property and equipment

Property and equipment are recorded at cost or, if donated, at fair value at the date of donation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets, ranging from 3 to 7 years. Costs of repairs and maintenance are charged to expense as incurred.

Deferred revenues

Deferred revenues represents cash received for memberships or services, which has not yet been earned.

Refundable advances

The Association entered into a grant agreement with the Ohio Attorney General's Office to receive funds specifically for the Ohio Reach program. Per the agreement, unexpended funds must be returned to the Attorney General. The Association records the unexpended funds in the refundable advances liability account. Per the agreement, the Ohio Attorney General's Office permitted the Association to apply the refundable advances to the grant period of the following year.

Contributions

Contributions of cash and other assets, including unconditional promises to give in the future (pledges), are reported as restricted revenue if received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, donor restricted net assets are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. The amount of funds available for conditions that have not been met total \$21,671,727 for the year ended December 31, 2019.

Revenue recognition

The Association's primary revenue and support is obtained from contributions, grants, dues and conference revenues. Revenues from contributions and grants are recognized when a donor's unconditional commitment is received.

Conferences, meetings and program services fees are based on the satisfaction of performance obligations at a point in time, which is the completion of the event. Membership dues are based on the satisfaction of performance obligations over time, which is one year. Membership dues received in advance are deferred to the applicable period in which the related performance obligation is performed. Total revenue recognized at a point in time is \$234,560 and \$216,701 for December 31, 2019 and 2018, respectively. Total revenue recognized over time is \$568,978 and \$513,106 for December 31, 2019 and 2018, respectively.

Income tax status

The Association is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Association qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). As such, no provision has been made for federal income taxes in the financial statements.

Functional allocation of expenses

The costs of providing program and support services have been reported on a functional basis in the statements of activities. The Association allocated a portion of administrative expenses to program services based on various direct costs related to each program and an analysis of personnel time for each program.

2. OPERATING LEASE OBLIGATION:

The Association leases office space under an operating lease. The Association entered into an office space lease for a term of 84 months beginning October 2014. Rent expense is recorded under the straight-line method for \$5,099 per month. Total rent expense of the office space, including parking and common area maintenance for the years ended December 31, 2019 and 2018 was \$72,861 and \$70,068.

The Association leases equipment under operating leases which require monthly payments ranging from \$200 to \$273 with various expirations through 2023. Total equipment lease expense for the years ending December 31, 2019 and 2018 were \$4,374 and \$4,100, respectively.

Minimum future payments under these non-cancelable operating leases as of December 31, 2019 are as follows:

2020	\$	67,744
2021		52,486
2022		3,426
2023		<u>3,024</u>
Total	\$	<u>126,680</u>

3. CONCENTRATION OF CREDIT RISK:

The Association maintains its cash balances at one financial institution. Cash balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 as of December 31, 2019 and 2018. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

4. RETIREMENT PLAN:

The Association sponsors a Saving Incentive Match Plan for an employee retirement plan for all employees of the Association who have completed their probationary period. The Association will match up to 3% of eligible employees' contributions. The Executive Director receives a total employer contribution of 7.35% of her salary to her retirement plan account. The Association retirement plan expense for the years ended December 31, 2019 and 2018 was \$14,850 and \$14,420, respectively.

5. NET ASSETS WITH DONOR RESTRICTIONS:

Net assets are restricted for specific purpose or subsequent years' activities. Net assets with donor restrictions as of December 31, 2019 and 2018 are available for the following purposes:

	<u>2019</u>	<u>2018</u>
Dan Schneider Child Welfare Leadership Fund	\$ 47,342	47,342
2020 Annual Conference	2,000	-
Ohio Reach Fund	7,877	42,288
Gayle Channing Tenenbaum Communications Fund	<u>1,080</u>	<u>3,129</u>
	<u>\$ 58,299</u>	<u>92,759</u>

6. LIQUIDITY DISCLOSURES:

The Association is substantially supported by contributions, grants and earned revenue. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Association must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Association's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The following table presents the financial assets available to meet cash needs for general expenditures within one year at December 31:

	<u>2019</u>	<u>2018</u>
Financial assets:		
Cash and cash equivalents	\$ 866,772	808,922
Accounts receivable	29,162	6,600
Grants receivable	<u>714,295</u>	<u>290,917</u>
Financial assets available at year-end	1,610,229	1,106,439
Less those unavailable for general expenditures within one year due to:		
Restricted by donor with time or purpose restriction	<u>58,299</u>	<u>92,759</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,551,930</u>	<u>1,013,680</u>

7. SUBSEQUENT EVENTS:

The Association evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through August 27, 2020 the date the financial statements were available to be issued.

Subsequent to the date of the financial statements, an outbreak of a novel strain of coronavirus (COVID-19) has disrupted supply chains and affected production and sales across a range of industries. The extent of the impact of COVID-19 on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak. Impact on the Association's donors, employees and vendors cannot be predicted, and the extent to which COVID-19 may impact our financial condition or results of operations is uncertain at this time.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees of
Public Children Services Association of Ohio
Columbus, Ohio

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Public Children Services Association of Ohio (a not-for-profit organization) (the "Association"), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 27, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Association's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Trustees of
Public Children Services Association of Ohio
Columbus, Ohio

Report on Compliance for Each Major Federal Program

We have audited Public Children Services Association of Ohio's (a not-for-profit organization) (the "Association") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Association's major federal programs for the year ended December 31, 2019. The Association's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Association's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Association's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Association's compliance.

Opinion on Each Major Federal Program

In our opinion, Public Children Services Association of Ohio complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2019.

Report on Internal Control over Compliance

Management of the Association is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Association's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Public Children Services Association of Ohio
Schedule of Expenditures of Federal Awards
December 31, 2019

<u>Federal Agency/Pass-Through Agency/Program Title</u>	<u>CFDA Number</u>	<u>Pass Through Number</u>	<u>Federal Expenditures</u>	<u>Amounts Provided to Subrecipients</u>
U.S. Department of Justice:				
Passed through the Ohio Attorney General Crime Victim Assistance	16.575	N/A	\$ 2,109,207	1,981,974
Passed through the Ohio Department of Youth Services				
Juvenile Justice and Delinquency Prevention - Allocation to States	16.540	N/A	<u>107,070</u>	<u>-</u>
Total U.S. Department of Justice			2,216,277	1,981,974
U.S. Department of Health and Human Services:				
Passed through the Ohio Department of Mental Health and Addiction Services				
Opioid STR	93.788	N/A	<u>588,716</u>	<u>502,049</u>
Total federal expenditures			\$ <u>2,804,993</u>	\$ <u>2,484,023</u>

NOTE A. BASIS OF PRESENTATION:

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Association under programs of the federal government for the year ended December 31, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Association, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Association.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or limited as to reimbursement.

NOTE C. INDIRECT COST RATE:

The Association elected to use the 10 percent de minimis cost rate as allowed under the Uniform Guidance.

Section I – Summary of Auditors’ Results

Financial Statements

Type of auditors’ report issued:	Unmodified
Internal control over financial reporting:	
• Material weakness(es) identified?	None
• Significant deficiency(ies) identified not considered to be material weaknesses?	None
Noncompliance material to the financial statements noted?	None

Federal Awards

Internal control over major programs:	
• Material weakness(es) identified?	None
• Significant deficiency(ies) identified not considered to be material weaknesses?	None
Type of auditors’ report issued on compliance for major programs:	Unmodified
Any audit findings that are required to be reported in accordance with the Uniform Guidance?	None
Identification of major programs:	
• CFDA 16.575 – Crime Victim Assistance	
Dollar threshold to distinguish between Type A and Type B Programs:	\$750,000
Auditee qualified as low-risk auditee?	No

Section II – Financial Statement Findings

None

Section III – Federal Award Findings and Questioned Costs

None

Section IV – Schedule of Prior Audit Findings

None
