

Two (2) Full-Time Case Worker Positions

Gallia County Children Services is presently accepting résumés in consideration for two full-time caseworker positions currently available at the agency.

One of the casework positions will be as a Child Protective Services worker, whose role would primarily be to investigate reports of abuse/neglect regarding children in Gallia County.

The other casework position will be a Foster Care and Adoption worker. This position will be primarily responsible for working with children in foster placements, recruiting and working with foster parents, arranging and supervising visitations, and working on adoption services as required.

It is expected that the employees will have frequent interaction with the general public, clients and their families, law enforcement, State and local child support agencies, State agencies and departments, the judicial system, and other social service agencies and professionals.

This posting is for a full-time, forty-hour week position and provides fringe benefits—including life, health, dental, & vision insurance, paid vacation, personal days, accrued sick leave, and retirement. The starting pay rate will be \$15.00 an hour. Persons with child protection or foster care experience may be eligible for an increased starting wage.

Ideally, the successful applicant should have at least a Bachelor's Degree in Social Work or a Human/Social Services related field. A LSW is preferred.

If interested, please send your résumé and cover letter to GCCS Director Russ Moore at russ.moore@jfs.ohio.gov or mail/drop off to Gallia Co. Children Services, 83 Shawnee Lane, Gallipolis, OH 45631.

Specific questions about the positions can be directed to Russ Moore by calling 740-446-7208.
