Job Duties (Summary):

- Responds to and completes Specialized and Third-Party Assessments of child safety in response to Intake Reports of physical abuse, sexual abuse, and/or neglect of children when the maltreater is responsible for the care of a child in an out-of-home care setting (i.e. school teacher, day camp counselor, foster parent, kinship provider, pre-finalized adoptive parent, employee of a residential facility, licensed/approved child care provider or facility), has access to child by virtue of his/her employment or affiliation with an institution (i.e. Boy/Girl Scout leader, athletic coach), or has a potential conflict of interest with agency (i.e. employee, contract provider).
- Conducts face to face interviews with children, caregivers/parents/out of home caretakers, alleged maltreaters and witnesses. Collects pertinent collateral information from other persons, service providers, and community partners. Consults with Utilization Management, Ohio Department of Job and Family Services (ODJFS), law enforcement, licensing authorities, and other collateral parties as necessary.
- Provides recommendations relating to the ongoing use of an out of home care provider and/or conditions of corrective action. Makes licensing recommendations to licensing entities. Completes required notifications to out of home care settings and licensing and supervising authorities.
- Responds to and completes Ongoing Assessments of child safety in response to Intake Reports of physical and sexual abuse, neglect, and dependency screened in on Cases receiving Ongoing case management services. Works collaboratively with Ongoing staff who have primary case responsibility.
- Meets mandated time frames and in accordance with federal, state and agency policy.
- Reviews previous Children's Services history, criminal history, court involvement and other applicable information for all individuals associated with Intake report.
- Conducts and engages families in face to face interviews with all children in the household of assessment, parent/caregiver(s), and alleged maltreater(s) to determine child safety. Conducts interviews in homes, schools, hospitals, and other community settings as required. Assessment shall include pertinent information collection from all parties regarding alleged maltreatment, surrounding circumstances, adult and child functioning, parenting practice and discipline to ensure an accurate safety determination
- In consultation with supervisor, conducts informed response to Intake Reports, assesses and determines child safety at every contact, identifies present and impending danger threats to child safety, and determines the disposition of the Intake Report within mandatory time frames.
- Gathers information and analyzes parent/caregiver/placement provider protective capacities.
- Partners with family and/or treatment team to develop and implement safety plans (present danger and impending danger) for children determined not to be safe.
- When necessary, seeks medical evaluation of alleged child victims and completes referrals to law enforcement.
- Responsible for written documentation of assessment activities within required time frames including but not limited to Safety and Family Assessments, Ongoing and Specialized Assessments, Activity Logs, and Present Danger and Impending Danger Safety Plans.
- Responsible for other mandated paperwork as outlined by state regulations and agency policy.
- Consults with the Prosecutors office and seeks Court intervention as needed. Prepares Requests for Legal Action and provides court testimony to support Children's Services position. Responsible for case presentation at

Dispositional Appeal Hearings and Foster Home Quality Review. Attends all relevant Dependency and Criminal Court Hearings as related to case assignments. Participates in Child Abuse Team Meeting with Children's Hospital Child Abuse Team when necessary.

- Attends required training. Must attend and complete Caseworker CORE Training within first year of employment and thirty-six hours for every year thereafter. Must attend twelve hours of Domestic Violence Training and Human Trafficking Training within first two years of employment.
- Must be available to communicate during work hours and on emergency basis for after-hours calls; Performs other related duties as assigned.
