### Position Overview

Under supervision utilizing a team approach, provides direct casework services to children, birth families, kinship caregivers, and foster families.

### Summary of Job Duties

Provides casework services to families in which children may be dependent, neglected or abused; secures protection for children from potentially abusive environments; visits foster homes ensuring proper care of children.

Assesses risk to children, family functioning and available supports in order to establish a plan for services which ameliorates the conditions which place children at risk.

Implements services which promote family preservation, placement stabilization, family reunification, concurrent planning and permanency for children.

Collects appropriate data for possible legal action and presents facts as evidence in court cases.

Supports and develops team approach in working with birth families, kinship caregivers and foster families. Enables families and children to utilize appropriate community resources.

Develops and/or maintains constructive relationships with other agencies involved with children and families.

Maintains contact with service team members, i.e. treatment specialists, school and hospital.

Provides services to foster families which maintain children in their placement while supporting and facilitating timely reunification; provides an alternative permanent plan as a last resort.

Performs required record keeping functions and required paperwork; prepares written assessment reports and related documentation as required; attends staff meetings, case conferences, workshops, in-service training sessions and meetings.

Ensures that cultural issues are addressed in client case plans, consulting with other knowledgeable staff as needed.

Provides specific services to foster families to enhance their foster care experience, understanding of placement process,

their roles and responsibilities, their capacity to accept and maintain child and support reunification process. Advocates for both natural families and foster families.

Contributes to decision making for the matching of children with their foster homes. Responsible for the coordination of placements including pre and post placement activities.

Performs other related duties as assigned.

## **Minimum Qualifications and Requirements**
