

University Partnership Program Coordinator

Salary - \$52,400 plus benefits

Start date: 7/1/22

Job description:

The program coordinator manages and administers the University of Toledo's University Partnership Program. This program prepares social work students for employment with child protective services. The position includes duties related to student recruitment, training, and field placements. The coordinator will work with the state of Ohio on budgetary issues and will work with the Ohio Child Welfare Training Program (OCWT) to ensure program quality. The coordinator will also teach the two Child Welfare courses. This is a long standing grant funded position.

Qualifications/Knowledge, Skills & Abilities

Minimum Requirements:

MSW degree

LSW licensure

Four years of public child protective services experience

Preferred:

Has worked at CPS within the last four years

In good standing with Ohio CPS agencies

Experience in direct service to clients and/or supervision of direct services personnel
